

## Are You Prepared for Change? A Discussion on Practical PIREPs (DPA)

In light of the recent demise of the discrete Flight Watch frequency we will review the how, where, and why of giving, receiving, and using PIREPs. We will discuss alternatives and available options for pre-flight and in-flight weather. Know before you go...and stay updated! Don't miss this exclusive event. Click on the link below and register TODAY.

**Directions:** Room 201 is located on the second floor of the main terminal.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
